FOOTBALL PROGRAM
P.O. Box 491751
Lawrenceville, GA 30049**

Dear 2026 Current and Future Collins Hill Touchdown Club Members and Team Sponsors,

The foundation for our Collins Hill (GA) High School Football program begins with the support from our parents and the community. Our team continues to excel in the classroom and on the football field. You have helped us to become one of the best programs in the state of Georgia. The 2021 football team ended the season winning the 7A State Championship for the first time in school history. The 2021 football team also went 15-0 and defeated every opponent by 15 or more points, which was the first time since 1971 that a team did that. The Collins Hill Football team finished the season ranked # 12 in the Nation. With the success we have had over the last several years our football program continues to draw positive attention around the state and nation as it relates to media coverage. Our home Stadium is rich in history and is one of the largest high school stadiums in the state with a capacity of 8500. Our school has produced a number of high caliber student athletes over the years, one of the most notable is **Travis Hunter** who won the **“Heisman Trophy”** in 2024. Now, with your support, you can help keep the program recognized in many county, regional and national rankings.

We depend on the Collins Hill Touchdown Club to provide funds that make this program successful. Gwinnett County does not fund a large part of the expenses required to run our program. In fact, the Collins Hill Touchdown Club is a key component in the way we raise funds to support the Collins Hill High School Football Program, above and beyond what is provided by the county athletic system. This includes items like:

- Weight Training Equipment
- Helmets, Shoulder Pads, equipment
- Pre-game Meals
- Field Equipment
- Football Camps
- Passing League Tournaments
- Laundry Supplies
- Audio/Visual Equipment (Game Taping – use for player/coach improvement and recruiting)
- And many other necessary expenses needed to adequately run the program...

Now, each family and community member can and should support our sons and the program by becoming a proud member of the Collins Hill Touchdown Club. On behalf of the entire Collins Hill community, thank you for your continued patronage.

Sincerely,

Drew Swick
